

# The Packaging Arena Friendly Networking

*After a hard days work at Interpack 2011 on the 13<sup>th</sup> of May we will meet at the Radisson Blu Scandinavia Hotel Düsseldorf for an evening of friendly networking.*

*Join us for a bite to eat and drink, network with fellow like-minded professionals and share the latest company news & updates.*

*The evening will bring interesting presentations from our partners. Feel free to contact us if you have an interesting topic to share with the group!*

**Welcome!**

# The Packaging Arena

The Packaging Arena is an environment for consumer-driven packaging development. We collaborate, co-operate and bring together companies and specialists from all sectors of the industry, all over the world. With our unique services, access to leading experts and advanced development environments, we create world-class packaging. To develop tomorrow's packaging, we offer unique services based on the latest knowledge. Our vision is to create the most innovative environment for consumer-driven packaging development in Europe. Our goal is that consumer knowledge and sustainability will drive the creation of tomorrow's packaging.

For more information about The Packaging Arena please visit our web page where you will find the latest news, previous cases and much more.
